

# General Data Protection Regulation (GDPR)

The European Union's General Data Protection Regulation (GDPR) protects European Union data subjects' fundamental right to privacy and the protection of personal data. It introduces robust requirements that will raise and harmonize standards for data protection, security, and compliance. I read and accept the conditions above therefore you need to know the following.

IDEAL can collect information when :

- registering,
- using the form,
- adding likes or dislikes.

The stored data is the one you gave when filling in the forms.

By filling in and sending the forms available on IDEAL, you agree with the use of your personal data in treating your demand.

It is important to know that this data is only used by IDEAL and will never be given to anyone else.

You have the right to :

- consult your personal data,
- ask for an update of your personal data,
- ask for the withdrawal of your personal data,
